

## **NER Masters Swimming Championships** **Durham, 25 September 2011**

DASC B Squad Coach, Iain Hodgson, and Club Squad member, David Carter, both had a busy and successful day at the NER (North-East Region) Masters Swimming Championships swimming in the 18/24 age group.

Iain and David competed for DASC over many years as agegroup and youth swimmers. After a break, both are making a comeback and demonstrating that even at their ripe old age it is still possible to produce PB times (providing the distance isn't too long!!) Both also produced two qualifying times each for the NER Senior Championships to be held in December.
